

What Students Are Saying About Official SAT[®] Practice on Khan Academy[®]

More than 3.7 million students are signed up for Official SAT Practice to get ready for the SAT. Here's what a few of them had to say.

Valencia, Senior
Booker T. Washington
High School
Houston, TX

Valencia's SAT score was
470 points higher than her
PSAT/NMSQT[®] score.

"I want to play sports at a Division 1 university. Khan Academy gave me the winning edge. With Khan Academy, every time I got a question wrong, **I was able to go back and do it again and get better and better.** I was able to study and stay focused. Since getting my SAT scores back, I've gotten at least 10 emails and calls from colleges trying to recruit me."

Camila, Senior
Millikan High School
Long Beach, CA

Camila's SAT score was
300 points higher than her
PSAT/NMSQT score.

"What I like is that it gives you a schedule to keep track—every month it gave me a practice test on what I had been working on. I was kind of surprised the first time I increased [my score] 200 points [on a practice test]—so **I realized the more work I could put in, the more I would get out of it.**"

D'Andre, Senior
Oak Ridge High School
Orlando, FL

D'Andre's SAT score was
260 points higher than
his PSAT/NMSQT score.
He received an academic
scholarship in addition to
his athletic scholarship.

"**It's like a game — you practice, but you don't realize you're competing with yourself.** My math skills were below par, and using Khan Academy I built it up and improved my scores dramatically."

Autumn, Senior
Ubly Community
High School
Ubly, MI

**Autumn's SAT score was
200 points higher than her
PSAT/NMSQT score.**

“I loved that it gave me a broad range of questions I could practice and I could see my progress. **I really liked the videos explaining the questions**, so you could figure out the question on your own.”

Matthew, Senior
Booker T. Washington
High School
Houston, TX

**Matthew's SAT score was
200 points higher than his
PSAT/NMSQT score.**

“All I had before was a dictionary and books I could take from the library. When my teachers introduced me to Khan Academy, **I was so happy that it was free**. The website was simple, straight to the point, and it really helped me with problem solving.”

Diana, Senior
Oak Ridge High School
Orlando, FL

**Diana's SAT score was
130 points higher than
her previous SAT score.**

“Official SAT Practice was my solution. It was free and it was ready to go. It helped me with my reading and math skills and **opened me up to more college options.**”

Sabrina, Senior
César E. Chávez
High School
Houston, TX

**Sabrina's SAT score was
230 points higher than her
PSAT/NMSQT score.**

“**I felt pretty confident in the exam**—I saw questions that I would have skipped before but with Khan Academy I understood what kind of questions I was going to face.”
