

School Improvement Plan Highlights

School	Mission	Vision	Goal(s)		
<p style="text-align: center;">Clair Mel Elementary School</p>	<p>At Clair-Mel Elementary, we encourage success in our school and throughout the community by establishing a climate of collaboration based upon shared goals and expectations.</p>	<p>Developing successful, productive citizens who make positive differences.</p>	<p>There is a need to design lessons that are focused on the standards and individual student needs based upon student data in order to increase student achievement and close the achievement gap. Teachers will engage in team planning with the support of the school resource personnel using the student data collected and the standards to plan instruction.</p>	<p>Teachers will be provided training and support in the use of the Language and Literacy Guide "Oral Vocabulary Development" and use this for a 15-20 minute lesson that supports vocabulary acquisition. Teachers will model the use of academic, standards based vocabulary throughout instruction and support students will their use of academic, standards based vocabulary with one another.</p>
