

School Improvement Plan Highlights

| School | Mission | Vision | Goal(s) | | |
|---|--|---|---|---|--|
| <p style="text-align: center;">Lee Elementary School</p> | <p>Our mission is that we will empower students to become innovative thinkers who achieve academically and socially through curricular connections and real world experiences.</p> | <p>Our vision is that we will be an “A” school where learners achieve global success.</p> | <p>We will utilize PLCs to improve lesson plans and monitor the transfer from planning to instructions, create Inquiry Monday notebooks for each teacher to facilitate science investigations, host math/science camp after school to increase content knowledge and give students hands on experience with science content, strengthen our Lego Robotics club as well as our Lee Techy Club, and use our mimio boards to connect to real world science investigations.</p> | <p>We will enrich classrooms by providing them with new libraries of both fiction and non fiction titles to spark students interest in reading in all content areas. We will provide PD in the area of science and ELA to increase student achievement.</p> | |
