

School Improvement Plan Highlights

School	Mission	Vision	Goal(s)		
<p>Tampa Bay Tech High School</p>	<p>Tampa Bay Technical High School will maintain the highest standards of excellence for all students as they acquire career and academic knowledge to become life-long learners and productive citizens.</p>	<p>Tampa Bay Technical High School will provide a caring and educationally rigorous experience to develop successful students.</p>	<p>In order to improve math scores, we will focus on standards based learning objectives and teaching with the end in mind. Teachers will use formative data to plan and implement strategies that will improve student achievement. Incorporating common assessments, analyzing data, and weekly PLC meetings will ensure that we are meeting the needs of students.</p>	<p>Student achievement and learning gains will improve when we focus on incorporating higher order thinking questions, writing across all contents, and standards based learning objectives..</p>
