

Procedures for Pick-up/Drop-off at Transfer Ramps

Tampa Bay Tech Bus Ramp

Arrival times will be strictly enforced. Transfer arrival times must be no later than **6:30 A.M.** Tampa Bay Tech is located on Harney Road between Sligh Avenue and Hillsborough Avenue.

Morning Drop Off:

- ☞ Drop off students in drive-through area only. For student safety, students are not to exit the vehicle until they are in front of the walk-in gate.
- ☞ After transfer has been called and the area has been determined to be clear, **students will not be allowed to enter the gate to board the bus. Parents arriving after the transfer call must transport their children to the designated schools.**

Afternoon Pick Up:

- ☞ Parents will designate the appropriate afternoon pick up/drop off location. The magnet transfer ramp may be a designated bus stop.
- ☞ Students whose parents have designated a transfer ramp as an afternoon bus stop must carry a badge, furnished by Hillsborough District Schools upon enrollment in magnet schools, for permission to leave the transfer ramp. If a student fails to produce the badge, he/she must return to their neighborhood bus for transport to the neighborhood bus stop.
- ☞ **Parents arriving after the afternoon transfer must pick up their children from the neighborhood bus stops. Parents causing a disruption at a Magnet Transfer Ramp will forfeit the privilege of using the ramp as a bus stop and shall be liable for prosecution under Florida State Statutes 1006.145, 810.097.**

Conditions:

- ☞ After three late arrivals, parents will no longer be allowed to use the transfer ramp as a designated bus stop. Parents will be able to choose 1 of 3 options: 1) transport the child to and from school each day; 2) use magnet neighborhood bus stops; 3) return child to the neighborhood school. Three late arrivals will be referred to the District Magnet Office for review.
- ☞ Parents arriving late in the afternoon to the transfer ramp must pick up their child from their neighborhood bus stop. Three late arrivals will result in cancellation of the use of the transfer ramp as a designated bus stop.
