

## Adult Education Sites

There are eight main adult and community school sites staffed by a community school administrator offering morning, afternoon and evening courses. In addition, there are 50+ subsites located throughout the community offering adult education courses. Please contact the main site closest to you for additional information.

Gary Adult High School is the only main Adult High School site open during traditional school hours. The remaining Adult School Sites are traditionally open from 1:00 p.m. to 9:30 p.m. Monday through Thursday and 7:00 a.m. to 3:00 p.m. on Friday.
