Dear Community/Business Sponsor:

I am honored to serve as the Chief Diversity Officer for the Hillsborough County Public Schools and on Superintendent Jeff Eakins' Cabinet. One of the main focuses of the Office of Diversity is to promote diversity, equity, and inclusion education awareness activities to better serve the needs of our diverse student and family population. The Office of Diversity will offer high-quality research-based diversity training to staff, students, and parents. Additionally, our office will provide academic support to help increase the overall district's graduation rate and offer academic scholarships, awards, and prizes for academic success.

Your role as a community partner is vital to the success of our diversity initiatives. Your kind donations and generosity will continue to help our district offer equal and equitable opportunities and activities for all students. Please consider donating to our DIVERSIFY Fund, which will help prepare students for life and promote academic excellence. As part of DIVERSIFY, we seek philanthropic commitments to support a variety of programs. The Office of Diversity counts on your support. We invite you to show your commitment by completing the form attached. Our pledge to you is to keep you informed of our major diversity activities and when appropriate **to promote our sponsors who donate \$100 or more**. If you have questions, please do not hesitate to contact our office at your earliest convenience. We thank you in advance for your commitment to Hillsborough County Public Schools and for making a difference in the lives of our students. Thank you in advance for your kind generosity.

Best Regards,

*Minerva Spanner-Morrow*
