**The top 6 ranked firms have been selected by the Evaluation Committee
INTERVIEWS WILL NOT BE NECESSARY FOR THIS AWARD**

To determine the final scores and ranking, each Selection Committee member independently ranked the firms based on the member's assessment of each firm's relative level of qualifications. An aggregate score equal to the sum of points received as a result of the rankings of all Committee members was used to determine the final ranking. The highlighted firms listed above will be considered as "continuing service" providers.
