LEVEL UP

Let's Get Ready for the HCPS90X20 Going for the Gold Publix Gasparilla Distance Classic 5K February 22, 2020

**When we Level Up as a team, we can do great things!
Get together at your school and create a team to support:**

Increased graduation rates—focusing on attendance • Improved health and wellness awareness • Building a positive school district culture for all

The first FIVE schools with 25 or more registered team members will earn a bus ride to take their team to and from the Gasparilla 5K, PLUS a T-shirt for every team member!

Join the Team - it's quick and easy!

Step 1. Visit rungasparilla.com to register. Please note: if you are already registered, it's not too late to transfer to the HCPS90x20 team

Step 2. Select the "HCPS90x20" team when prompted to choose.

Step 3. Use the code "HCPS90x20" by 1/17/20 to get the discounted registration rate. Registration increases after that, so register now!

OPTIONAL STEP: Select "HCPS/Supporting School Attendance" as your charity of choice when prompted and enter an amount. Your entire donation will be used to improve our district's student attendance initiative.
